

DT Carpentry

Established in 2019

**Founder/CEO
Andrew Tomkinson**

About Us

We are a personable business that works within the GTA and is open to expanding our territory.

We create, construct, and implement luxury residential & commercial properties.

Why Choose Us

We are chosen for our personalized touch, project integrity, and alleviating the common frustrations of basic contracting. DT Carpentry provides a more detailed timeline that promises elite results. Our time management is unmatched!

**Professional Contracting
Prioritizing Quality & Time**

Our Services

Our modalities specialize in structural steel installations, custom framing, intricate details, and many other carpentry techniques to bring a vision forward.
